I asked my mother for more information and she sent me this:

Hi there! Yes I have heard of an Arthur Lammas, whether he had a middle name I do not know. My Grandmother was a Lammas, who had numerous children, one of whom was your Nan. There was Florence who married a Bert and had two daughters, Olive who married George and had Eric, May who had one daughter, sorry husband unknown, and I do remember an Uncle Arthur, but whether he married and had a family I have no idea. I think there must have been others but these are the only ones that I can recall at the moment.

If she remembers anything else she will tell me

Jacqui

Hi,

Just to let you know, and possibly save you a phone call, Clarice Irene LAMMAS was the daughter of George LAMMAS and Mary Jane STANTON, not William LAMMAS and Myra STANTON as I had thought.

Cheers

Martin

You are sending out a virus by the name "JS/fortnight"

You were right about my Nan, her birthday was 2nd June....can't think why I never mentioned it before and she married my Grandfather (Arthur Gerald Clarke) on July 2nd (i think) 1936. Anyway I lost the attachment you sent, my AVG anti-virus picked it up as I downloaded it and moved it to the virus vault.

I think you might need a clean up. :-)
