Hi Martin,

William Crawford file is attached.
It get's complicated though with all the intermarrying.

Now - Arthur Crawford is my 1st Cousin 3 times removed.
Birth registered 4th qtr 1859.
He married Ruth Smith on 3-4-1888 at B'ham Register Office.
He died August 1920.

I have 3 children to this couple.
Mary Elizabeth
Rose May
Hilda Margaret

Mary had an illegit son, Arthur Jack Paul Crawford before marrying Luke
Giles

Rose married Charles Dorrell

Hilda died an infant.

I would be grateful for any info you have on the descendants of Arthur and
Ruth as I'm very short on this line.

Regards,
Colin

I would love to read it. I don't think that there are any close links, but
you never know.

Are you related to an Arthur Crawford born ca 1861, who married a Ruth Smith
in (I think) 1891? Ruth Smith was a cousin of mine.

Regards

Martin
